when zac sparks s mother dies he s sent to live in five corners with his cruel old aunties it isn t long before zac knows something strange is going on five corners is populated with weird characters a midget butler a girl who doesn t speak a blind balloon seller a mysterious singer and the aunties father dada zac s first encounter with dada is so terrifying that he faints dead away the one bright spot is sky porter a friendly soul who encourages zac and shows him kindness but sky isn t what he seems either and when zac learns sky s amazing secret he sees that this wonderful man may have a very dark side as well discovering that dada is an evil magician who is intent on stealing the ultimate treasure zac knows that many lives are at stake including his own

read along with disney one rainy evening on a busy street a blue umbrella and a red umbrella meet it could be love but then they are pulled apart in the bustle of the crowd and it s up to blue to find red again watch the adventure and romance unfold with word for word narration in this charming storybook full of colorful stills from the disney pixar short film

kindness is a magical thing and in this gentle picture book kindness comes from somewhere unexpected when a seemingly ordinary blue umbrella is offered to provide shelter from the rain it grows to accommodate anyone in need it was not supposed to rain on the day that a small blue umbrella showed up on the little girl's doorstep with a note saying for you but she decided to take it along just in case and despite the odds it did rain seeing that her mom was getting soaked the girl invites her to come under the umbrella too at first it seemed like they couldn't possibly both fit but then something magical happened the umbrella grew so they offered shelter to more and more neighbors what should have been a tight squeeze was instead enough room for everyone this story is a true celebration of kindness and sharing with poignant words from emily ann davison and charming illustrations from momoko abe and is sure to become a favorite for young readers

this book is a concise practical guide to writing and making a successful short film in an accessible and relatable tone the book covers the filmmaking process from plot ideation to film distribution without getting bogged down in the complicated details written by an experienced writer and filmmaker the book shows you how to create content from script to screen that can connect with an audience it does so by considering classic storytelling templates like aristotle's three act structure and joseph campbell's the hero's journey as well as examining a variety of successful short films analyzing what makes them work or not and why to support learning it also provides a list of recommended short films to study with brief background information on each this is supplemented with the author's personal experiences of writing and making films along with exclusive insights from successful hollywood and independent writers and producers there are also questions and prompts at the end of each chapter uniquely designed to guide the reader through the step by step process of writing their own short script students and professionals alike who want to craft and perfect their short films will find this to be an invaluable resource and a one stop guide to success

happily splashing in the rain spattered world beyond her windowpane vraly finds refuge from her parents high octane hurry up existence but when she falls through a puddle she's plunged into an underworld of harrying giants and perplexing dolphins where she's left alone to find shelter from the onrushing storm finding an ally in her steadfast blue umbrella vraly discovers an unexpected strength that protects her from the deluge and from the hustle and bustle of the everyday world to which she must ultimately reawaken susan zimmerman an authority on reading comprehension and co author of mosaic of thought and 7 keys to comprehension calls the blue umbrella a whimsical evocation of the power of children to overcome their fears and uncertainties exquisitely written and illustrated maggie hudson gives the reader a heartwarming touch of magic this modern through the looking glass adventure in verse combines the rhyming rhythmic story of a child's search for serenity with unique and vivid multimedia images that delight the eye and stimulate the imagination speaking as much to adults as to the young readers with whom they share the textual and visual poetry of the blue umbrella this is truly a book for children of all ages

it includes answers to the exercises given in the coursebook and workbook of new mulberry published by oxford university

a ten year old girl spends a busy summer in her city apartment home turning her room into a palace a store and a museum

when turtles whisper presents a compilation of poems based upon cecelia gartrell evans s life experiences recounting the moments that are most memorable to her whether explaining how the whispers of turtles helped her to handle disappointments as a child chronicling past hurts and loves or offering advice to parents her poetry evokes emotions to which everyone can relate her musings are presented in verse some are serious while others are whimsical but all relate her innermost feelings there is something for everyone young and old in this charming collection turtle visits i d love to have you visit that is if you won t mind never coming inside my house for there is only room for one we can walk and talk as we spend days together admire the sights and eat out in the open then in privacy keep our nights pondering what happened that day for you will sleep in your house and i will sleep in mine cause in a turtle s home like i said before there is only enough room for one

the volume questions in discourse vol 1 semantics contains a comprehensive overview of the semantic analysis of questions and their role in structuring discourse next to a series of in depth contributions on individual aspects of question meanings the expert contributions offer novel accounts of semantic phenomena such as negation and biased questions question embedding exhaustivity disjunction in alternative questions and superlative quantification particles in questions some accounts are modelled in the framework of inquisitive semantics whereas others employ alternative semantics and yet others point to the discourse structuring potential of marked questions all contributions are easily accessible against the background of the general introduction together they give an excellent overview of current trends in question semantics
